Last Day on board Ship Dens

1834 Remarks Friday January 31st
Begins light breezes from SE and fine
weather driveing the ship through the ice
all sail set 2 PM I started for the
shore got half way got entirely blocked
up with ice put back for the ship
at 4 PM after a great deal of labour
got on board and let the Larboard
Anchor in 4 fathoms mud and furled
the sails middle part plenty rain
at 6 PM the ice paped down with
the tide I went on shore and found
My Friends all well SO Ends

This Voyage 2100 bbls whale
& 400 bbls Sperm 16 000 lbs Bone

SO Ends
